NOTES OF A DISCUSSION IN MR. CHARLES
MURPHY'S OFFICE, FRIDAY, JULY 20th

File: Psy. Strategy
BL

on

Outline of Steps to be Taken in
Event of No Armistice
in Korea

1. Diplomatic preparation for breakdown of talks.

This is being done by State through discussion with
16 Ambassadors of countries participating in Korea.

2. Public opinion preparation for breakdown of talks

(a) information media:

Mr. Barrett of State will do this with an interdepartmental
group. Mr. Short will handle for White House

(b) Congressional committees:

State is covering Senate Foreign Relations Committee and
House Foreign Affairs Committee. Defense will cover Armed
Services Committees.

3. Short statement by Ridgway on issues of breakdown.

Any Washington participation will be by State and Defense.

4. Major speech by the President on situation created by the breakdown.

State is preparing draft with President in role of U. N.
leader. Mr. Bell will handle for White House.

5. Message from the President to

(a) U. N. troops in Korea:

Defense is studying this.

(b) U. N. governments having troops in Korea:

State is working on this, possibly in form of confidential
message.

Mr. Bell will be White House coordinator.

TOP SECRET

6. Report by the President to the United Nations.

State is preparing this. Mr. Bell will handle for White House.

7. Consultation with United Kingdom and Soviet Union on situation created by breakdown.

State is studying this, including the possibility of approach to Moscow before breakdown of talks.

8. Special task force to organize and pursue a propaganda offensive.

Gordon Gray will be asked to handle this through Psychological Strategy Board.

9. Intensified effort to obtain more U. N. troops for Korea.

State will undertake this.

10. Complete economic sanctions against Red China.

State will handle.

11. Further U. N. or Congressional condemnation of Red China (?)

State is studying, including possibility of declaring Red China an international outlaw rather than a Congressional declaration of war.

12. Additional measures of U. S. mobilization; additional deployment of U.S. naval and air forces to Western Pacific.

Defense will make any necessary recommendations.

13. Additional measures in assuring security of Southeast Asia.

- (a) additional guarantees (?)
- (b) public warning about other adventures (?)
- (c) Discussions with India and Indonesia

Will be subject of new NSC policy recommendation.

14. Examination of realistic expeditionary and defensive capabilities of Chinese Nationalists.

Defense and CIA will prepare, including study of both expeditionary and defense capabilities.
